

Affiliated Corporations

The following entities are affiliates of the Parent, Home Health and the Hospital. There are no plans to include any of these entities as Members of the Obligated Group in the foreseeable future.

Elmhurst Memorial Hospital Foundation — A not-for-profit company that conducts fundraising activities for the benefit of Elmhurst Memorial Hospital.

Elmhurst Clinic L.L.C. — A 55-member, multi-specialty physician group contracted with the Parent.

ELMCARE L.L.C. — A physician/hospital organization that arranges for the provision of healthcare services to enrollees of managed care payers by entering into contracts with licensed healthcare providers, insurance companies and managed care payers.

Elmhurst Memorial Health Technologies L.L.C. — A for-profit provider of technical support services to hospitals, physicians and other healthcare providers.
